# Standard Operating Procedure Client Activities

---

**Subject: Client Activities for Medical Shelter Sites**

---

## 1. Introduction

The purpose of this Standard Operating Procedure (SOP) is to provide guidance to Medical Shelter Site Management on providing client activities for guests at Medical Shelter sites.

Isolation can be extremely challenging for some individuals. While televisions will always be serviced to be operational, it is also helpful to have some activities available to occupy guests' time.

## 2. Client Activities

Supplies to consider keeping stocked for clients. Supplies can be ordered through the procurement tracker process.
